The first edition of The Anatomy Coloring Book was published in 1977, and its immediate success inspired the development of a completely new field of publishing: educational coloring books. Kapit went on to create The Physiology Coloring Book with the assistance of two professors who were teaching at Berkeley: Dr. Robert I. Macey and Dr. Esmail Meisami. That book was published in 1987 and has gone through two editions. In the early 1990s, Kapit wrote and designed The Geography Coloring Book, now in its second edition. LAWRENCE M. ELSON. His research interests are focused on the anatomic bases of myofascial pain arising from low velocity accidents. Read more.
